

DISRUPTIVE INNOVATION COMPANY (DINNO) is a global innovation company operating in the fields of legal services, debt management and distressed asset management. We bring disruption and innovation to everyone everywhere: to the most renowned corporations, to the SME sector, as well as to the retail sector and the general public. We strive to bring about fundamental change in legal services and in debt management industries to yield profits to the world.

DINNO is a close and flexible team of professionals who are out-of-the-box thinkers, disruptors and innovators. We are eager to disrupt the world in the industries we have deep experience in. The most powerful skill of our team is implementation. We are specialists in disruptive solutions which we are quick to implement with minimum labour and costs.

DISRUPTIVE INNOVATION COMPANY is a member of MOUNTAINS HOLDING, an international group with a portfolio of companies employing more than 1.500 people around the world and having deep experience especially in legal services, debt management, consulting, education and tourism industries. Our company is headquartered in Asia (Singapore office) and Europe (Prague office), providing its solutions worldwide.
